Following we will show you a few things which you can experience in Zermatt:

Paragliding (Summer and Winter)

If paragliding fascinates you, give it a whirl right here in Zermatt. A beginner can take a tandem flight with qualified instructor. Flights are available from different peaks. Gliders will be given a birds' eye view of the beautiful countryside.

Climbing the Breithorn (4164 m) (Summer and Winter)

Under the guidance of a Zermatt guide, climbers will ascend as a roped party to the summit. The Klein Matterhorn cable way will take you to your starting point (3'870 m). The climb to the peak takes approximately two hours. Enjoy the unforgettable panoramic view of twenty-seven mountain peaks having more than 4'000 m. For this type of excursion, one must be in good physical condition as well as a good skier.

Fly around the Matterhorn (Summer & Winter)

Passengers depart from the Zermatt heliport (located north of the train station about a 10 minute walk). After flying around the Matterhorn, you will land on the glacier "Testa Grigia" (3'500 m in altitude). From "Testa Grigia" you can enjoy the magnificent ski slopes down to Zermatt.

Mountain bike Tour (Summer)

Gorge Adventure (Summer & Winter)

Unique in Switzerland! Guided tour through the Gorner Gorge between Furi (1'865 m) and Zermatt (1'620 m) with its impressive rock formations (holes in the rock formed by glaciers, polished rock faces) pounded by enormous masses of rushing water. It is a unique spectacle of nature.

Walking with snowshoes (Winter)

Experience an amazing winter walk through the scenic landscape of Zermatt.

Curling (Winter)

Animated curling lesson in the outdoor followed by a funny competition.
